[REDACTED] dated 1 October 1954

1. I would appreciate it if you would look into the matter brought up by Mr. Reynolds in the referenced memorandum attached, on an informal basis, and then give me the benefit of your thoughts regarding the advisability of developing specific proposals and recommendations to present to the Director.

2. In view of the fact that DD/P has been the point of control for the entire [REDACTED] mechanism, I believe that you will want to coordinate your activities with them and with AD/P in order to avoid the appearance of inappropriate zeal on our part.
